With exterior window films. Looking to spice up your older building? Campbell Corporation has outdated facade materials with new realistic surfaces. They even bring the view glass to life with building wraps, also known as facade resurfacing, which is a process where they cover up old glass provider. One of the many attributes they are known for is their outstanding work in glass provider.

Congratulations to Paris Cox of Kearny Real Estate, BOMA International. She is the Executive Director of the BOMA San Diego chapter and earned her admission to the BOMA International. She was nominated by her peers and represents our local Chapter. Paris is the Executive Director of the BOMA San Diego chapter and represents our local Chapter at BOMA San Diego. She is dedicated to promoting the profession of Commercial Real Estate Management.
