Holiday Gift Drive Wrap-Up

BOMA San Diego's 2019 Holiday Gift Drive recently came to a close with 436 bins of gift donations, including 94 bikes, 35 scooters, and 22 skateboards. These numbers greatly exceeded our 2019 goal of 18,000 gifts and $8,000 in cash/gift card donations, providing the warehouse space, Kevin Boyer of Boyer Moving & Storage for countless hours delivering and making this our most successful drive yet! Special thank you to Holly Jump of John Hancock for generously picking up almost 400 toy collection bins.

Don't Miss Out on Important Events

BOMA San Diego 2019 Year in Review

With a successful year behind us, there is no better time to become a member or to renew your membership. It's time to renew your membership dues! Have you renewed your 2020 membership yet? Don't forget to renew so you can enjoy the benefits of BOMA San Diego membership! Contact the BOMA Office with any questions.

WEBINAR OPPORTUNITIES

Whether it's informing our membership on new regulation effecting our industry. I can certainly attest that my participation in BOMA has not only enhanced my professional development, but it has made me a better person both personally and professionally. So with that same spirit of encouragement, I embolden you to take on a new role in our industry. As BOMA's President, I will be your strategic business partner and help shine a light on the future of our industry. There is no better time to join us and continue to be a part of the growth and development that is going on within BOMA. I look forward to working with each of you and making this year an extraordinary one for BOMA San Diego. Thank you to these winners and to everyone who hosted a bin and contributed to the drive. Because of San Diego's foster youth. Thank you to A.O. Reed and Paragon Engineering.

City of San Diego Mayor Kevin Faulconer and Councilmember Chris Ward. Continue reading to find out more about her!

Amanda said, "I believe that staying involved with BOMA will help me better understand the needs of our members and help BOMA San Diego better serve its members. So I'm excited to take on this role. But I'm also excited to work with you, our BOMA San Diego membership, to do great things for the future of our industry." She's only been a member for a few years, but she feels that BOMA has been a valuable asset to her career. "BOMA is definitely a huge part of my industry. It's a great, great, great organization. It's huge. It's huge. It's huge. I love it." So with that same spirit of encouragement, I embolden you to take on a new role in our industry. As BOMA's President, I will be your strategic business partner and help shine a light on the future of our industry. There is no better time to join us and continue to be a part of the growth and development that is going on within BOMA. I look forward to working with each of you and making this year an extraordinary one for BOMA San Diego.

New Member Spotlight

Meet BOMA San Diego's New President, Amanda McCullough

Amanda McCullough, BOMA, GBA, CPM, is the new President of BOMA San Diego. "I'm very excited to take on this role and represent our membership," she said. "I believe that staying involved with BOMA will help me better understand the needs of our members and help BOMA San Diego better serve its members. So I'm excited to take on this role. But I'm also excited to work with you, our BOMA San Diego membership, to do great things for the future of our industry." McCullough previously served as BOMA San Diego's Vice President. She is a LEED AP who has worked in the commercial real estate industry for more than 15 years. McCullough recently completed her term as a member of the BOMA San Diego Education Committee. She is looking forward to continuing her involvement with BOMA and furthering her knowledge of the industry. McCullough said she is excited to take on this role and to work with the rest of the BOMA San Diego board to continue the association's mission of providing education and networking opportunities. She is currently a member of the BOMA San Diego Education Committee.

SDG&E: A New Energy Partner

Resolve to Save Energy this Year

This winter, you'll want to keep your customers and employees warm. Did you know that by implementing a few tips your business can save on its energy use? Here are a few tips your business can save on its energy use:

- Use energy-efficient lighting. LED bulbs use up to 80% less energy than traditional incandescent bulbs. Consider replacing your existing bulbs with LED bulbs to save money and reduce your carbon footprint.
- Turn off lights when not in use. Make sure to turn off lights when leaving a room or when the room is not occupied.
- Close doors and windows. Cold air will enter your building if doors and windows are open, so make sure to close them to keep your building warm and reduce energy usage.
- Use energy-efficient appliances. Consider upgrading to energy-efficient appliances like refrigerators, freezers, and washing machines. These appliances use less energy and can save you money on your utility bills.
- Install thermostats. Setting your thermostat to a lower temperature in the winter and a higher temperature in the summer can help you save on energy costs. Consider using a programmable thermostat to save energy when you're away from home.

Happy New Year!
